OBJECTIVE

To immerse myself in the world of AI and Machine Learning, applying my strong foundation in mathematics and programming. Excited to work alongside experts, tackle challenging tasks, and develop innovative solutions that push the boundaries of artificial intelligence.

EDUCATION

ACE ENGINEERING COLLEGE	Expected May 2025
Hyderabad, Telangana, India	GPA: 8.7/10
NARAYANA JUNIOR COLLEGE	June 2020
Hyderabad, Telangana, India	GPA: 8.8/10
ST. PETER'S HIGH SCHOOL	June 2019
Hyderabad, Telangana, India	GPA: 8.3/10

COURSEWORK / SKILLS

- | | | | |
|--------------------------------|------------------------------|---------------------|-------------------------------------|
| - Data Structures & Algorithms | - Database Management System | - Operating Systems | - OOP (Object-Oriented Programming) |
| | | - Machine Learning | |

PROJECTS

- Project Name 1** | *Online Inventory System* Mar 2023
- Developed an online inventory management system to streamline inventory tracking and management processes, improving efficiency and reducing manual errors.
 - Designed and implemented a user-friendly database for the Online Inventory Management System, allowing users to easily track and manage inventory levels, perform real-time updates, and generate custom reports.

TECHNICAL SKILLS

Strongest Areas : Data Structures and Algorithms
Programming Languages : C, Java, Python,
Developer Tools : VS Code, Pycharm, Git
Databases : MySQL.

CERTIFICATES

Business English Certificate Preliminary: Cambridge English Entry Level Certificate
NPTEL: Introduction to C
NPTEL: Joy of computing in Python

EXTRA CURRICULAR ACTIVITIES

- Volunteer work |**
- Volunteer activities demonstrate your commitment to social causes and your willingness to contribute to the community. Include any volunteer work that's relevant to the job or highlights your teamwork and interpersonal skills.
